10 GLORIOUS YEARS

It's amazing! We have thrived and survived for a decade.

Come this July, the MALAYSIA SME® business newspaper will be reaching a new milestone. This July marks the 10th year of our involvement in SME news reporting. When I first started this project ten years ago, I was blessed with the support of many kind-hearted people from many forward-looking organisations. Just like me, they believed in the importance of SMEs and understood the need to have an SME newspaper to champion SMEs!

While I must confess that starting the nation's first SME newspaper is not at all difficult, running it everyday for ten years is another beast altogether! From a six-man SME media start-up, to over seventy-man organisation and now slightly more than twenty-man company, I have encountered countless of sweet and sour moments. Lucky me, being in this privilege industry of SME news reporting allows me to 'see', 'hear' and 'learn' complimentary from the finest SME entrepreneurs that served as my daily booster to persevere over a decade.

Since it is you, the SMEs, who made it possible for us to go this far, my team is rolling out a 10 Glorious Years anniversary celebration package for our beloved SMEs. The celebration package consists of a special custom print magazine whereby the first of the ten monthly issues is schedule to be published in October 10 this year. An exclusive intimate dinner is planned in the month of November to be held in one of the finest boutique hotels in Malacca that happens to be owned by an SME friend of mine. All these are specially crafted for the finest SME entrepreneurs, all for the purpose of having you recorded in our historical moment.

I thank you for your support over the past ten years and I hope to have your participation in our 10 Glorious Years anniversary celebration package. Let's celebrate SMEs together!

God bless SMEs!
